Subject: Invitation for guidance lecture on Polymers.

Respected Sir,

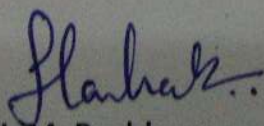

We are organizing a guidance lecture on **Polymers** for students on **15/02/2020 (Saturday)** in our college.

The purpose of the lecture is to create awareness about polymers and the current research in the field of polymers for inspiring students for their better future.

A workshop of this nature would be unthinkable without the association of your expertise through your presence as resource person for the same. Apart from this, the lecture could also serve to initiate an interaction amongst you and students. Kindly accept our invitation for the same and interact with students during these lectures.

Thanking you,

Yours truly,

K- YAN Report

Objectives of the Study:

- To understand the teachers' experience with K-Yan during the teaching-learning process.
- To understand the usefulness of K-Yan in teaching-learning process at the college level.
- To understand the role of K-Yan in transforming the traditional methods of teaching-learning.
- To understand the effect of K-Yan on learners from the teachers perspective.

Teacher's Experience and Effects on Students :-

The main purpose of K-Yan is to keep students at the center of the learning process and giving a teacher the role of guide or facilitator. Use of K-Yan by the teachers had a great impact on learners as well as on the practice of teaching by the teacher. K-Yan has motivated the students and turned them into an active learner. It helped them to be a part of the interactive classroom. Teachers noticed the increase in the achievement level of the learners with the continuous use of K-Yan.
