ADD-ON COURSE

Syllabus

Purpose: To develop special skills and techniques among students to use computer based softwares, to help them learn chemistry in a more practical way for their better understanding of the subject.

Course Name: Fascinating computer tools in chemistry

Syllabus:

I. Use of Microsoft office in chemistry-

- a. Microsoft Word
- b. Microsoft Excel
- c. Microsoft Powerpoint

II. Structure designing softwares-

- a. ChemSketch
- b. ChemDraw

III. Advanced scientific literature search engines-

- a. Scifinder/ Reaxys

IV. Computer Assisted Drug Designing software (CADD)

N.B.-

- 1. Allotted time for completion of syllabus - 30 hours.
- 2. Pattern of final exam-
 - 30 Marks
 - Viva Voce - 20 Marks

50 Marks

- 3. Only those students successfully completing the course will be issued certificates.

- I. Use of Microsoft office in chemistry- Asst. Prof. S. K. Awate
- II. Structure designing softwares- Dr. H. M. Bachhav
- III. Advanced scientific literature search engines- Dr. Y. S. Shelar
- IV. Computer Assisted Drug Designing software (CADD)- Dr. N. M. Bahuguni

Teachers In-charge-

ADD-ON CERTIFICATE COURSE, ACADEMIC YEAR 2019-2020

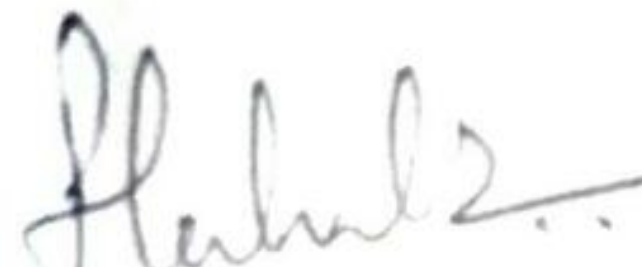

Subject- Fascinating Computer Tools in Chemistry

Outcomes

From the feedback received from students it was quite evident that students thoroughly enjoyed the Add-On course in chemistry. There were many positive points enlisted by students. Students were happy with the new things they learned in the course. They learned new skills and in very short period of time they developed a good command on Microsoft word, Excel and PowerPoint. They also liked the softwares for drawing the structures involved in chemistry and were very much fascinated by it. They expected to learn scientific search engines practically by handling those softwares but at the same time were excited as well that they learnt new scientific search engines in general.

The feedback received as a whole from students has encouraged us to continue Add- On course every year from now onwards, by upgrading the teaching methods and techniques for making it more exciting and fascinating for the students.

Report

Fascinating Computer Tools in Chemistry

The Add-On certificate course for academic year 2019-2020 was conducted from 16th November 2019 to 30th November 2019. The course was conducted by all the four chemistry teaching staff members- Dr. H. M. Bachhav, Asst. Prof. S. K. Awate, Dr. Y. S. Shelar and Dr. N. M. Bahuguni. A total of 18 students got enrolled for the course. The course was conducted smoothly and it helped students to upgrade their knowledge and also helped them in developing new skills. The final exam was conducted on 4th February 2020. All the enrolled students appeared for exam and all passed with minimum first class. Non teaching staff of chemistry department, Mr. Zaid and Mr. Talap played an important role in making arrangements for conducting lectures and also helped in resolving technical issues in the whole process.
