- They are the best teachers who help me a lot to succeed in studies. It's been a great pleasure to have a part of them in me life's . They made study look like a game. Thanks to them.
- All Staff Is Good
- All and all Nice teaching from all
- No problem
- Everything is Good enough
- Only deepu sir and shriniwas sir are excellent. But rest all teachers are not. Specially NEHA mam. The way of teaching of her is worst , and even she traches in marathi language. This fact is known to every student. I repeat that only Deepu and shriniwas sir are the best. Specially deepu sir. If anyone is going to read this, then it's a request to get anathor teacher instead of NEHA mam. It's likely to better get fail in exams instead of getting information through neha mam.
