For Annual Report:

Bachelor of Arts is a three-year undergraduate course that offers in-depth knowledge in History, Sociology and English subjects by different means such as classroom teachings, seminars, projects, practical training, Study tour, conferences, expert talks, etc. It's typically a three-year course that provides a broad and well-rounded education in subjects such as literature, history, philosophy, languages, and social sciences. Students who are interested in pursuing jobs in Government sector through SSC, MPSC, UPSC exams, Teaching, Journalism should take up this course. This course has bright career prospects in the field of Public as well as Private sector.

The department organises students centric activities for development of the students such as slow learner and advanced learner activities, seminar workshops related to career guidance, expert

lectures etc. Maximum students graduated from the college are employed in corporate as well as public sector. The highlighting features of the department is that the department has qualified and experienced staff. The staff also communicates, interacts with the students through mentor mentee activity.
