### **For Annual Report:**

Bachelor of Accounting and Finance (BAF) is a three-year undergraduate course that offers in-depth knowledge in accounting and financial subjects by different means such as classroom teachings, seminars, projects, practical training, industrial visits, conferences, expert talks, etc. The B.com (Accounting & Finance) is a specialization course that provides the student with a strong understanding of Accounts and Finance. It covers topics from B Com in addition to accounting, finance, taxation, auditing, and risk management. Students who are interested in pursuing jobs in accounting and finance should take up this course. Over the last few years, Accounts and Finance have grown hugely in terms of business potential and the requirement for human resource in this field is also increasing. This course has bright career prospects in the field of accounts and finance in Public as well as Private sector.

The department organises students centric activities for development of the students such as slow learner and advanced learner activities, project guidance lectures, seminar workshops related to career guidance, expert lectures etc. Maximum students graduated from the college are employed in corporate. The highlighting features of the department is that the department has qualified and experienced staff. The staff also communicates, interacts with the students through mentor mentee activity.
